Sir, what do you mean you haven't paid yet?
Say, Cash is waiting for something to eat. You can't be like this, sir.
We even extended our deadline for you, you can't be like this. You must have a different mindset of when you borrowed from Thirty-five Money...
Hey! Aren't you the one who owes us for just a measly 10000 won?
Measly?
Who's like one that doesn't have this measly 10000 won right?
I DON'T CARE YOU, WON'T BE SOLVED WITH VIOLENCE.
BUT, BUT WE HAVE TWO!
SOME HERE TWO PLEASE.

Don't forget to do my English and Math homework and make sure to iron my uniform. Nice and crisp, you hear?

Measly? Who was the one that doesn't have the measly 10000 won?
Did you expect I was helping because we were blood related? You're so naive. Heheh
